WHAT TO EXPECT DURING YOUR PHOTO SHOOT

We always bring professional lighting to every session to provide the ultimate photo shoot experience.

We'll start with the team portrait, then take individual portraits. Athletes may choose to do more than one pose or action shot if they'd like. There is no limit, but depending on the team size, we do need to be time conscious.

WHO SHOULD ATTEND THE PHOTO SHOOT?

Parents are highly encouraged to attend the photo shoot so they can look at the back of the camera to ensure they are happy with their athlete's portraits. Also, it's just really fun to watch!
