WHY CHOOSE CUSTOM PORTRAITS BY TIFFANY?

Researching who you want to be your senior portrait photographer can be daunting because there's a lot to think about! Hopefully the information in this magazine will help you to see what sets us apart.

One huge benefit for our clients is that we are not a "volume studio" that rushes clients in and out. You deserve a memorable senior portrait experience! We only accept a small number of sessions each year so that we can dedicate our full attention to every client. We want your session to be as memorable as the portraits themselves.

Read on to see what makes Custom Portraits By Tiffany a creative, modern, and unique experience!

WANT TO LOOK LIKE A MODEL?

Never had a modeling lesson, but still want to look like a model? That's what we're here for!

- We use professional lighting during all our portrait sessions to give you that high-fashion look.
- We show you exactly how to pose for each portrait so you look your best.

No need to do research before your session. We know what flatters you the most. Leave it to us and you'll love your senior portraits!

IT'S ALL IN THE DETAILS!

Attention to detail is a huge thing we are known for, and we take pride in that! We ensure that in every portrait, your jewelry will be straight, hair will be in place, and wrinkles in clothing will be minimized.

No one wants a messy senior portrait!

WHEN SHOULD I SCHEDULE MY SENIOR SESSION?

The earlier, the better! Having your portraits taken the summer before your senior year is best so that you have more availability in your schedule. Once school starts, you'll be busy with classes, homework, sports, activities, work, friends, etc.

Also, in case of bad weather, there's plenty of time to reschedule. Once fall starts, the leaves fall quickly, it starts to rain a lot, and it can get cold. You don't want to run out of nice days and have to settle for less than great portraits.

Yearbook portraits are sometime due soon after school starts, so you'll want to be prepared for that as well. Taking your senior portraits in the summer before school starts allows you to enjoy your portraits all year long!

OUTFIT INSPIRATION

These outfits are great examples of clothing that you could bring to your session. Different styles and colors ensure that you'll have a variety of portraits to choose from.

Remember to bring jewelry and accessories, like hats and sunglasses, too! Those little things can add so much to your portraits!

6 TIPS FOR THE BEST SENIOR SESSION

1. Manicure your finger nails. Choose plain or painted, but please do not have chipped nails for your portrait session. If you plan to wear sandals, the same idea applies for your toes.
2. Use lotion to avoid dry skin.
3. Bring clothing that is ironed and hanging on a hanger, not wrinkled.
4. Bring outfits that have complimentary layers. Don't bring anything with too wild of a pattern. It will be distracting in your portraits.
5. Bring undergarments that are nude. Colors that don't match your outfit will stand out in a negative way.
6. Bring an assortment of clothing, shoes, and accessories.
(Don't bring three dresses. Don't bring all the same colors.)
This will result in limited variety of your portraits.

SPORTS & ACTIVITIES

No matter what sports you play or what activities you participate in, we have unlimited ideas on how to make you look like a pro! We use professional lighting equipment that really enhances the creativity in your portraits! We can make it extra personalized by photographing you at your school's gym, field, dance studio, or wherever fits best! There's no other time where you'll get to create these types of portraits, so let's make them amazing!

MAKE YOUR SESSION EXTRA UNIQUE!

Your senior portrait session can be even more personalized by bringing an item that's special to you!

If you're an artist, we want to see your work!

If you're interested in music, bring your instrument!

If you rock at 4-H and FFA, bring your awards!

You're also welcome to bring your pet! They're part of the family and hold a special place in your heart. We love animals!

Have another idea for your session? We're open to all possibilities!

We want your session to be customized to you!

AFTER YOUR SESSION

When your session is complete, we'll schedule your ordering appointment, which takes around 90 minutes. Anyone interested in choosing your portraits must attend.

At the ordering appointment, you'll view your portraits on a large screen and see beautiful samples of all our products. We offer framed canvas gallery wraps, custom designed albums, graduation announcements, metal prints, and more! We use only professional printing labs to create your portraits, and the high-quality products speak for themselves. Your portraits will be passed along to future generations, so you'll want lasting prints and products! You're only a senior once, so your portraits need to be the best!

Retouching is included for all the portraits you order. We remove blemishes, whiten teeth, brighten your eyes, and smooth your skin for a nice, natural look!
